Re: *Sokolow et al. v. Palestine Liberation Organization et al.*,  
04-CV-397 (GBD) (rle)

Dear Judge Daniels,

We represent Plaintiffs in the above-referenced matter. We write to respectfully request an extension of time to file objections to the rulings made by Magistrate Judge Ellis at the conference in this matter on November 17, 2011.

Plaintiffs have filed a motion for reconsideration which is presently before Magistrate Judge Ellis. Inasmuch as the plaintiff believes that decision at issue resulted from a misapprehension of a factual matter, plaintiffs respectfully believe that the proper mechanism to seek review of that decision, certainly in the first instance, is a motion for reconsideration to the magistrate judge himself. However, in the event that Magistrate Judge Ellis does not modify the order, plaintiffs wish to reserve their right to file objections after the ruling on the motion for reconsideration.

Accordingly, plaintiffs respectfully request that the Court enlarge the plaintiffs' time to file objections until 10 days after Magistrate Judge Ellis' ruling on the now-pending motion for reconsideration.
